DENIS STERN | R3VORDA

About the Project

STORIES ON STRINGS is an Ibiza based world fusion guitar duo comprising of Denis Stern and Yan Adrover.

This project combines the spice and energy of gypsy, Latin American and Eastern European music and with a gentle touch of jazz to create melodies that transport the listener.

The project aims to create an ambient sound that is perfect for any kind of audience, right from the casual listener looking to uplift their spirits and having a good time to a music lover who wishes to be in the midst of some classy and fresh music!
